

What is the Xenia Community Schools Foundation?

The Xenia Community Schools Foundation (XCSF) is separate from public funds. Income is used to support programs that assist and encourage the achievement of the highest standards of education for the young people within the Xenia school district.

Public funds available to local schools will never be adequate to provide the many significant educational opportunities that are available. The XCSF provides a means of supporting some of these special opportunities, as well as providing a scholarship to a graduating senior.

All contributions are tax deductible. Investment income is used to provide grants to enrich the curriculum, improve instruction, and address other appropriate needs.

Governance of the Xenia Community Schools Foundation

The Xenia Community Schools Foundation is a non-profit organization founded in 1985. It is governed by a Board of Directors, composed of representatives from the Xenia Area Chamber of Commerce, the Xenia Education Association, and the Xenia Community Schools Board of Education.

Annual Reports are made available to donors upon request.
